## **Applications Used:**

Photoshop CS3  
After Effects CS3  
Pencil & Paper

---

## Music Video 01:

Tracked video footage in Monet.  
Rotoscoped the boy in Mocha.  
Distorted and tracked in the video footage on top of a clean TV patch. (with boy's reflection)

## **Applications Used:**

Photoshop CS3  
Monet & Mocha  
After Effects CS3

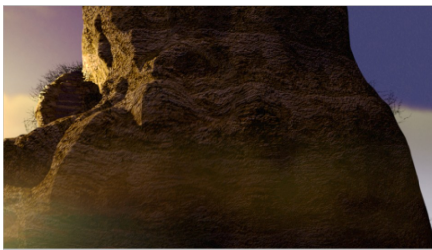

### **Music Video 01:**

Tracked video footage with Monet.  
Rotoscoped the boy with Mocha  
Distorted and tracked in video footage, on top of  
a clean TV patch. (with boy's reflection)

### **Applications Used:**

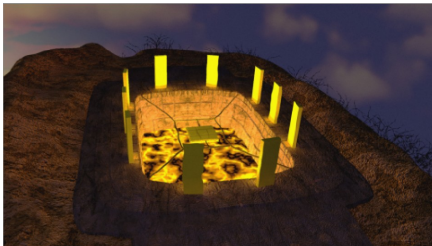

Photoshop CS3  
Monet & Mocha  
After Effects CS3

---

### **3d Environment:**

Created the concept drawing.  
Modeled, textured, lit, and rendered  
the scene in Maya.  
The render passes were then composed in  
Digital Fusion 5.3.

### **Applications Used:**

Pencil & Paper  
Photoshop CS3  
Digital Fusion 5.3  
Maya 2008

**Glider Island:**

Tracked the video footage with Pfrack 4.  
Exported the point cloud data into Maya and  
built the 3d world.

Modeled, textured, lit, animated,  
and rendered the glider.

Composed render passes with Digital Fusion.

**Applications Used:**

Photoshop CS3

Digital Fusion 5.3

Maya 2008
